Spring is here!

by [Mary Ritchey](#) on April 11, 2022

Rays for Days! The countdown to our summer season has begun! We will be opening the pool to members and their guests only on May 27. We will open to the public starting May 28th.

Before we open the outdoor pools, we have an exciting event in our indoor pool. The Easter Egg Hunt will be April 23rd held in the Natatorium. You can sign your kids up based on their age group. The link to sign up is under the Events tab on our website.

We can't forget to highlight some of our hardworking pool supervisors, Pedro Zarate and Brionna Mann.

“Hello, my name is Pedro! I am a pool supervisor here at Worthington Pools. I have 7 years of experience as a lifeguard, swim instructor, and pool supervisor. I enjoy being at the pool especially over the summer time. I am currently studying statistics and data analysis. When I am not at the pool, you can catch me on the basketball court draining some 3's. I grew up playing lacrosse in Dublin and most recently I have gotten into coaching. I am a very big math nerd. I am a die-hard Cleveland Browns and Cleveland Cavaliers fan. My favorite football player is Nick Chubb. If you see me out on the pool deck this summer, don't hesitate to come and say hi. I'm sure we will have something to talk about!”

“Hi! My name is Brionna. I am a pool supervisor here at Worthington Pools. It is my first year working and teaching at Worthington, but I have been working with pools for 5 years now. I am so excited to continue my journey with my Worthington family!”

We've established a new system called Jackrabbit. It makes registering for classes a lot easier. Jackrabbit has the capabilities to email your instructor directly. This is a great tool to have in case someone might miss a lesson. No more having to call the pool. Just access the portal we have set up, and send a message.
